Applicant's reply received July 14, 1995 is not deemed to be fully responsive to the prior Office action because it does not contain an election as required at paragraphs 3-4 of page 2 of the previous Office Action. Since the period for response set in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 C.F.R. § 1.136(a).

The date on which the corrected response, the petition under 37 C.F.R. § 1.136(a), and petition fee are filed will be the date of the response and also the date for determining the period of extension and the corresponding amount of the fee. In no case may an applicant respond later than the six month statutory period or obtain an extension for more than four months beyond the date of response set in an Office action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Keith Hendricks whose telephone number is (703) 308-2959.

Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist, whose phone number is (703) 308-0196.
